How to Explore Machu Picchu, Peru

A look inside the UNESCO World Heritage site deep in the Andes Mountains.

By S. P. Flynn on May 28, 2018

Where to Stay

[Sumaq Machu Picchu Hotel](#)

Just on the outskirts of Aguas Calientes, Sumaq Machu Picchu offers the tranquility of a secluded destination, while also being just a few minutes walk to the heart of town. Private terraces offer unobstructed views of Urubamba River and of bustling Aguas Calientes. Each of the 62 spacious suites—starting at 300 square feet—are designed to highlight the beauty of the hotel's surroundings with expansive windows. For exhausted travelers, the hotel offers the only [five-star spa](#) in town with services including facials, full-body massage, and hydrotherapy. *Rooms starting at \$480.*
